FORCED TO FIGHT FOR HIS BREATH

Almost Physical Wreck, Ruff Builds Himself Back to Vigorous Health

"I had heard a great deal about Tanlac and since trying it myself I can conscientiously say it is the best medicine I have ever seen in all my experience," said David Raff, 259 N.

DAVID RAFF
259 N. 50th St., Philadelphia, Pa.

59th St., Philadelphia, recently, Mr. Raff has lived in Philadelphia all his life and is well known and highly respected.

"My health was all broken up," he explained. "My stomach was all out of order and gave me so much trouble that I actually decided to go to the table. I would simply eat and go without eating than suffer the awful misery I knew would follow. I would bloat up so with gas that my heart would beat a terrific rate and it seemed sometimes I was being smothered to death. I just had to fight for my life, as my nerves were all undone. I slept poorly and was all the time having headaches that were most blinding. I lost weight and felt so weak and run-down all over I could hardly do any work."

"Sometime ago a good friend of mine told me he knew Tanlac would help me and he spoke so positive about it that I took his advice. And I can say right now that Tanlac is the first medicine I ever saw that will do exactly what they say it will. Five bottles have been enough to make me all over again. I can eat anything I ever could in my life and have gained fifteen pounds in weight. I'm no more nervous than a child, sleep fine and it just makes me feel happy to be enjoying such good health. Tanlac certainly is a great medicine."

156 MILLION SHIPPING FUND WINS IN SENATE

Approve \$75,000,000 Deficiency Appropriation and Pass Bill Bringing Up Total.

(By Associated Press) WASHINGTON, June 3.—After hearing denunciation of the Shipping Board for its management of the merchant marine by Senator Kenyon, Senator T. C. Edwards, and others, the Senate today approved a \$75,000,000 deficiency appropriation for it and a few hours later passed the deficiency appropriation bill, carrying a total of \$156,000,000, inclusive of the Shipping Board item.

In approving the appropriation, the Senate added an amendment offered by Senator Louis C. Untermeyer, Wisconsin, directing the board to sell its wooden ships by October 1 next.

The board in its management of the merchant marine was described by Senator Kenyon as extravagant, wasteful and "reckless with graft."

Charges Arouse Senate.

The Joint Select Committee accused the board of misappropriating \$15 million of two hours duration that followed, half a dozen Senators were on their feet at the same time, seeking either to denounce the board, or to defend it. The arguments of the latter finally prevailed and the Senate not only accepted the amendment proposed by the Appropriations Committee, but passed the whole deficiency bill, which represents an increase of \$56,000 over the measure as passed by the House.

The total increase in the bill, as passed by the Senate includes \$53,000 for various items recommended by the Appropriations Committee, an increase of \$12,500, added by amendments for soldier hospital projects: \$59,000 for the speedway or Brookview Hospital at Chicago and \$56,000 for the Dawson Springs, Ky.,atorium. The Senate included the appropriation of \$200,000 for enforcement of prohibition.
